

Irrigation System Technician and Farm Equipment Operator

Tom Farms is seeking a qualified and experienced Irrigation System Technician and Farm Equipment Operator.

Location: Leesburg, IN, Mid-West United States, USA

Industry Sector: Agribusiness

Industry Type: Irrigation

Career Type: Technician and farm equipment operations

Job Type: Full Time

Minimum Experience Required: 3 Years

Salary: Negotiable, Healthcare Insurance, 401K, Paid Vacations, Holidays, & Incentive Plan.

One of the leaders in the agriculture industry continues to expand and grow so they have a need for an additional center pivot irrigation technician to join their team.

If you have experience in performing diagnostics, service repairs and maintenance work on center pivot irrigation equipment this may be the opportunity you've been waiting for.

Give Kassi a call at 574-265-6696 to confidentially learn more about this employee focused group that treats their employees like family.

Pivot Irrigation Technician Responsibilities:

- * Performs installation, maintenance, and performs diagnostics and repairs on center pivot irrigation systems
- * Troubleshoot and resolve problems with pivot functionality
- * Follow all safety rules and regulations
- * Provide excellent customer service in a professional manner while performing repairs and diagnostics for customers

Pivot Irrigation Technician Requirements:

- * 3+ year experience performing service and repairs on irrigations systems preferred
- * Self-motivated with the ability to manage your own time
- * Strong oral and written communication skills
- * Associates degree preferred, but not required
- * Valid driver's license
- * CDL (Commercial Driver's License) preferred

Compensation:

Negotiable, depending on experience + Benefits
